NEW NORMS OF BEAUTY

Millennials are now the most eco-friendly generation. They are aware that global warming is not going away and the beauty industry has a great obligation and is privileged to lead to more sustainable products and lifestyles. Eyelashesworld is happy and ready to join the club. We develop a new concept and a unique value proposition; from beginning preparation.

Our final goal is complete lashes that are eco-friendly, sustainable, vegan, cruelty-free, and packaged in recycled material.

Sugar Palm Fiber Lash Collection

We proudly present our most eco-friendly and sustainable lashes collection. The first in the world, all lashes are made from 100% sugar palm fiber. All other components are made from plant based or recycled material, 100% biodegradable, vegan and cruelty free.
